

## Teddy Bears Picnic

Children love role play and having a picnic tea with their teddies and dolls (and you too).

### What you need:

- Teddies and dolls
- A blanket or pillow case
- Cups, plates, bowls, cutlery
- Some food e.g. sandwiches, biscuits, chopped up fruit

### What to do:

Remind your child about a picnic they have been on e.g. at the beach in Broadstairs! Encourage your child to invite their teddies and dolls to a picnic. Find something they can all sit on e.g. a pillow case or blanket. Help your child lay out a plate, cutlery and food for each bear and doll. They could even help prepare the food to share! Sit together and have fun at the teddy bears picnic.

### Questions to ask.....

- What food shall we eat at the picnic?
- How many plates do we need?
- How shall we share the food out?

### What did my teddies eat today?
