

Reading and Understanding the World

1. Listen to the story *My Mum and Dad make me laugh* online:
<https://www.youtube.com/watch?v=3mP4ZHtutAM&safe=active>

2. What do you notice about mum's clothes in winter and in summer? What is the weather like in these two seasons?
3. Can you remember the names of the other two seasons?
4. Right now it is spring! What changes happen in spring time? Think about the light, the weather, the plants, the trees...

5. If you are able to get outside, keep an eye out for any signs of spring and take a picture or do a drawing of what you notice.
