

## Art and Writing

1. Listen to the story *My Mum and Dad make me laugh* online:  
<https://www.youtube.com/watch?v=3mP4ZHtutAM&safe=active>
2. In the story, there are loads of spots and stripes!  
Yayoi Kusama is a Japanese artist who makes pictures using lots of spots too!

3. Can you draw or paint a picture using lots of spots or stripes?

It could be like a picture from the story; a person wearing spotty or stripey clothes, an animal, or it could be anything else at all!

4. Write your name on your work, using a different colour for each letter, if possible.
5. Try and also write a label to explain what your picture is.
